### Inglewood Bowling Club Named Taranaki Bowling Club of the Year

The Inglewood Bowling Club has had a very successful 2017/18 season and have just been named Tarnavia Bowling Club of the Year. The club started off the year with just the artificial green as the green was being replaced. This entailed hours of work from some of the members. Whilst the artificial green is not everyone's favourite place to play bowls, they still managed to have a fairly full

continued ready for on in Septemb The club to the Community Trus for a grant to upgrade the Men's toilets and replace were ver

fortunate to Above: Lorraine Crofskey, Sally Frater, Cindy Nicoll, Brian Hardcastle, Loris Ro receive a grant to assist with some of these upgrades. Access to the Clubrooms is greatly improved and the Men's tollets are certainly a huge improvement. Many thanks to the Trust and to all their loyal sponsors – you help make the Bowling Club a good place to belong. INGLEWOOD BOWLING CLUB you help make the Bowling Chib a good place to belong. It was also an excellent year for several of our Members. Cindy Nicoll — Woman's Player of the Year, Brian Hardcastle — Greenkeeper of the Year, Steve Sabine — Third Meris Player of the Year, Chipsini and Lurraine Stevenson of the Year of Yea Hireti II.o

Shade-by the River Some weeks are better than others, but this

week has been just about as had as it gets for

The Troubus discounting to the first observable state of the state of even more of a gaint leap.
It is all to do white paded, remember when we first connected to the week when we first connected to the week?
It is all to do white paded, remember when we first connected to the week?
In the even of the Connected to the week to the term for this College. The year of the week was to the term for the Connected to the week of the week. We are working on a major project in our puffers, but we don't know any greater, and despite the bining wind I went out the connected to the connected to the week of the week.

buffering, but we ddn't know any different Now we get grumpy! froher is slight pause when we watch a video diely. That was a missilee, as I have developed the clop. That's the difference between copper and UFB and that's why you are seening the underground boring machines around town. Progress! "I missile coult, sincere and clear my trumy nose. As if that was not enough! I cartest sillenging both parts of the county and the county are considered and th move at times.

And then to round off my dismal week there

And then to round off my dismal week there was the lack-dister performance of the All Blacks. There was little to admire about them throughout the game. When the referee sent off the French full-back for being in the wrong place when Beauden fell over him, I thought the game was over, but the French side showed that they were the better side on the night and kept the game alive.

Food for thought, eh?

Gardening with Sue from Hammer (Sue Marsh)

Phone 756 8009 This is a great time of the year make sure your garden is healthy next spring. Part of this is getting ris of unwanted bugs and diseases which HANNER can ruin your carefully tended plants before you get the chance to enjoy them. Check any crops still in the garden, pull out any weed enjoy them. Lneck zali, crops still in the garden, just iout any weeds and any plants you no longer need. Slugs and snalls will be about at this time of year. The nemesis of many a leafy crop such as lettuce, cabbage, califlower and spinach as well as our much loved garden plants such as hostas, rengs renge, agapanthus and begonias. Apply Till Quash slug and snall control to help stop them munching on your plants. Give your plants an application of Tui Organic Seaweed Plant Tonic, when applied regularly this helps strengthen plants

Plant Tonic, when appeared regularly uso nelps a seregorem parts against extreme in temperature.

An appear extreme in temperature.

Arch hours: (06)9522050

your veges as this will help retain moisture, stop weeds popping up, and keep the roots protected from extreme in temperature. And much before the ground freeze as otherwise the much will implicate the forcis.

Prevention is the best cure, and this is true in your garden too. A healthy garden is less likely to be plagued by innect pests and desease. Take cure to choose the right parts for the right position in your garden, and plant seasonally appropriate varieties. See the Tui Planting Calendar for more information. Add generous amounts of

seasonally appropriate varieties. See the Tui Planting Calendar for more information. Add generous amounts of organic matter like heep pelets and compost to replenish and insurients before planting Rotate crops – don't plant the same crops in the same place each year, as diseases can be harboured in variety, and registant hunteries used by plants during the growing eason. Keep adding organic matter like sheep pelets and compost to your soil, and feed your plants with a general fertiliser or one specially blended for your plant or crop. Remove any diseased plant material, and either burn or bin – don't, compost to avoid systeading disease. Clean and disintered all prefering tools, a

ecially cutting tools, to prevent the spread of disease. Happy gardening!

Marinoto Hospital Wing News (Dr Diane Jones) New total \$181,278 reached with very generous donation of \$15,000 from the Inglewood Lions, who have raised the money from their "Matze Maze" activity this summer. This project requires a substantial amount of work from all the Lions members. They raise a significant amount of money while contributing to the fun activities

members. They rase a significant:
150.000
a validable to all the community. So
the total is growing, but not yet
50.000
for the outfitting of the hospital
wing, and as you can see the piles
are in, and the foundation is being

id so we need to be ready! Donation forms are available at "Fun Ho! Toys" and donations can be made via the website marinotoresthome.co.nz or by D/C to Inglewo Welfare Soc. 15-3946-0367456-02 (provide details

Durham WI News (Christine Fitz Patrick) Durham Hall was the venue for our

Durham Hall was the venue for our windowner Christmas dinner. Invited guests enjoyed this festive themed quiz, pass the parcel game and a lively mystery bottle auction. Jean Dobbs, our very own colourful auctioneer extraordinaire, persuaded bidders to part with some \$273. The consequence bidders to part with some \$27.5. In consequence of a wayward gesture from the participants often resulted in a further dollar being added to the escalating total. Our Institute topped up the amount raised to an even \$500 to be donated to Inglewood Welfare Society's Marinoto Hospital wing build and refurbishing project.

A short formal meeting followed with a detailed report from NTDFWI President Dorothy Enright who attended the recent 97th National AGM/

Conference held in Lower Hutt. Neo-natal Unit extended their thanks for all the lovely donated baby knitting. Plenty of happy smiles from young primary and pre-school children greeted institute members who distributed warm beanies and slippers. A successful luncheon was catered fo the Photography group and two members attended

#### INGLEWOOD HIGH SCHOOL OPEN AFTERNOON - Thursday 28 June 2018, 1.00pm to 3.10pm

Parents and students interested in enrolling at Inglewood High School for 2019 are invited to our Open Afternoon. The programme will begin promptly at 1.00pm. The programme includes

- · an introduction to the school and key personnel.

· opportunities to see and participate in the school in action.

Enrolments for next year will be taken at contributing schools in August or at the high school. For more information please visit our website: www.inglewoodhs.school.nz or phone 7568148.

We believe that constant effort ensures success; our school offers educational opportunities designed to grow confident, purposeful young people who have a desire to excel and make a meaningful difference.

We look forward to welcoming you to our school.

The next Crop Swap will be sturday 30 June, set up: 10.00am, Swap start: 10.30am. Gold coin donation appreciated towards Waltoniki Hall funds and cuppa is included. As the new season lemons start to ripen, coriander and parsley is abundant, and there are rows of silver beet and spinach ready for the picking, and the chooks may have a started layine seain. Witners has arrived! tor the picking, and the chooks may have started laying again. Winter has arrived! Come along to Crop Swap bring along any home-grown surplus, eggs, baking, honey, fruit, veges, magazines or anything homemade to swap. These are just a few ideas of what to bring to Crop Swap. Come along at 10 00am to set-up have a cuppa and look at what other goodles other Crop Swappers have brought along... Contact Jayne on 7566192.

### Bags For Marinoto Hospital Wing Appeal (Margaret Ma

The Monday Quilters would like to thank all who have supported then by buying their bags, they have seem hundreds and have nearly reaches their target. The quilters would love to sell a few more so they can hand over their donation. If you visit the library you will find many mon on display. They are constructed of strong but lightweight fabric so the can be easily carried with you ready to pack your shopping into t home. More and more husinesses are phasing out plastic so take the home. More and more businesses are phasing out plastic so take this opportunity to buy yourself a bag or two at a very reasonable cost. The library staff have continued to support and encourage the quilters and cheerfully sold the bags. Help them to reach their target while helping the environment and donating to the Marinoto Hospital Wing.
