Please call Karla, your **Ingwood Rental Specialist** to view.

We anecdotally know hundreds use the walkway in the summer and also in the winter. But it is a lovely rural walk which is in need of some urgent attention. Please complete the questionnaire below to enable this information to be put before NPDC to encourage councillors to put these improvements back into the 2022/23 work program.

...and roller. Our old equipment was badly in need of updating. These replacements came from Australia, via Auckland, with several hold ups because of Covid shutdowns in Auckland. Without the TET's help we would never have been able to replace both machines.

Inglewood Bowling Club now has one of the best greens in Taranaki to play on. We were to host some of the NZ Triple Championships but unfortunately these were cancelled because of Covid. Thank you Taranaki Electricity Trust.

Garden Clues with Sue (Sue Marsh)

What another beautiful spell of weather we have had, but the windy days are a reminder that we are now into Autumn, a very busy time for the gardener. In the vegetable garden, we need to replace the lost nutrients from the heavy growing season by adding in compost, blood and bone, and sheep pellets. This will provide a healthy new foundation for your autumn and winter crops. Much better to spend a bit of money now to build up the depleted soil, so the plants are ready to take off after planting and to grow up celery and leeks, and you can harvest your pumpkins, but make sure you dry them well before storing. Main crop potatoes should be ready for lifting, which will give you some spare ground. Autumn is an ideal time to plant broccoli, cauliflower, cabbage, lettuce, spinach and Chinese cabbages. Plant lettuce early autumn and you can get a good harvest first, most lettuce varieties. Sow seed for your winter crops like carrots, swedes, turnips and radish. A good seed raising mix that is light and free draining will ensure your seeds get the best possible start. It is a busy season for

With Tui Quash, and of course Aphids and whiteflies will still be about. Did you make an enclosure to protect your seedlings, very happy with our makeshift cover here at Hammer Hardware. It's amazing what you can do with spare bits of timber, a bit of netting and a staple gun! If you haven't made one, then you can try blasing them off with a hose or spray with warm soapy water. Of course, you can always purchase a growing tunnel, ready to go. So feed your soul, pick up some seedlings, provide some protection, and use these lovely warm, and hopefully sunny days to get your garden going. Even with a few rainy days, to get a great start on your winter garden. Enjoy and happy gardening!

Ronald McDonald House Fundraiser (Via Harbours)

 Going for walks up the York Road Track, Meeting of the Waters, Turfey Gardens or just everyday stuff such as at world normal daily activities or playing sports have enabled Claire and Wayne Gower to log in to meet the Ronald McDonald House Charities Fundraiser "House to House" target of 210 kilometers. "House to House" is a fundraiser set up by the Ronald McDonald House Charities during the summer months to encourage people to run, walk, cycle or swim 210 kilometers being the average distance families need to travel to get to a Ronald McDonald House. By partaking in this fundraiser, it is allowing Claire and Wayne to give back to the charity that has provided accommodation and care given to them when their daughter Libby needed to be in Sturship on numerous occasions. This allowed Libby's parents, Claire, and brother to stay nearby and be with Libby during her stay in hospital. The Gower team which includes Claire, Wayne, daughter Grayson and a cousin in Turfey have opted to do this fundraiser as a team and they have already ended the total of 210 kilometers. The Gower Team were hoping to raise \$1,000 but they have already raised over \$2,500.

The following shows what their donation allows for:

- \$100 – Provides for a family who has been referred to the Ronald McDonald House for their stay at a Ronald McDonald House.
- \$50 – Provides ingredients for a family to make a nutritious meal while they stay at a Ronald McDonald House.
- \$100 – Provides ingredients for two meals for a family during their stay at a Ronald McDonald House.

Turpys have opted to do this fundraiser as a team and they have already ended the total of 210 kilometers. The Gower Team were hoping to raise \$1,000 but they have already raised over \$2,500.

The following shows what their donation allows for:

- \$100 – Provides for a family who has been referred to the Ronald McDonald House for their stay at a Ronald McDonald House.
- \$50 – Provides ingredients for a family to make a nutritious meal while they stay at a Ronald McDonald House.
- \$100 – Provides ingredients for two meals for a family during their stay at a Ronald McDonald House.

It is not too late to donate, go to the Ronald McDonald House Charities website and click on "House to House" or click on the "Donate" button at the top of the page. You never know when they may need to stay at a Ronald McDonald House.

Durham Women's Institute (Christine Fitz Patrick)

The February meeting was held in the Durham Road Hall. There was no change to the top table in the election of officers. Dorian Lighow continues as President, Vice-President Valerie Young, Secretary Karen Smith and Treasurer Christine Fitz Patrick. Committee are Jane Woodhead, Miki Smith, Jess Dobbs and Valma Hirst. The recent death of popular volunteer member Maureen Bunn was acknowledged. She was an active participant in all our activities, a keen instigator when we were fundraising and a shining example of the respect of Women's Institute. Her passing was a great loss. Her family and friends were all featured prominently in the monthly competitions sharing the spoils. Results are as follows: Points Overall: Marsh and Eichestadt; Cup: First Karen Smith 115, Second Valma Hirst 94, Third Jane Dobbs 65. Flower - Wheeler Rose Bow; First Valma Hirst 18, Second Rose Bow 17, Third Christine 16. Shrub - Lyla Hall Remembrance Cup; First Karen 20, Second Jane 17, Third Janice 11. Rose - Golden Jubilee Trophy: First Karen 20, Second Valma Hirst 16, Third Jane 14. Handker - Minnie Russell Cup; First Jane 20, Second Karen 18, Third Valma 15. Cluster - Mary Gude Cup: First Valma 19, Second Karen 17, Third Jane 12. Solage Raz Schmanski Memorial Trophy: First Karen 23, Second Valma 17, Third Jane 10. Most Unplaced Entries - Springfield Trophy: First Diane Horgan.

Lions Club News (Via Adamson)

The Taranaki Maize Maze which is owned and operated by the Inglewood Lions has now closed for the season. A funny year with bad weather preventing us from opening two weekends and Covid and Vaccine passes etc it has been a challenging time for us. With the colder nights it has matured the maize cobs faster. A working bee was held on Sunday afternoon starting after closing to the public for the day, and we pulled out the sponsors posts in readiness for the harvesters going in this week weather permitting.

Recently at the 202D Lions Virtual Convention Inglewood Lions were runner up for the Clubs e-bulletin and they also won the Waverley Award with the Inglewood Lions Mini Golf Project. That entry now goes onto the 202 Multiple Districts Convention to be considered for an award. The Inglewood Lions will be holding their Annual Book Fair on Saturday 21 May from 9.00am – 5.00pm and Sunday 22 from 10.00am – 2.00pm at the Inglewood Club. We are now collecting Books, puzzles, DVD's and CD's. These can be dropped off at 9 Hinaiu Street, Inglewood or if you need them to be picked up contact Wendy Otene 027 2866607.

If you are interested in finding out more about the Inglewood Lions contact George Buchanan 027 4423383.

Above: Lion George, Murray and James checking that we account for all the posts

FDE (farm dairy effluent) SPREADING

Squash Club News (Pauline Stachurski)

The Inglewood Squash Club has recently completed a popular teams challenge competition kindly sponsored by Taranaki Civil. Members were put into teams, and these teams challenged one another over a five week period. It was a great way to begin the year and having members of all ages and abilities mixing with one another. There were some very competitive games resulting in overall points being close by the end of the last night.
