The wet weather continues, and most of us have been stuck indoors, and unable to get out and spend some time in the garden. The one thing the rain does, is makes the moss, mould and mildew take off, and starts to put a green sheen on driveways, paved areas, garden sheds and even your house. There are plenty of options to deal with this problem, and a very well-known product is 30 Seconds, which have options for fast removal, using Outdoor Cleaner, or one that works over time, like Spray & Walk Away, right down to indoor mould remover, calcium rust and lime remover, plus many more. The spray and leave options work best when applied in cloudy conditions with no rain expected for 12 hours. Keep the surface as moist as possible without it drying out too quickly. You don't have to scrub, hose off or water blast, just let the environment work for you. When it rains, it gently reactivates the product rinsing away and removing dead material. Depending on what you are treating, most changes occur between 4 to 12 weeks, simply spray, and forget about it. If on the other hand, you like to deal with it very quickly, then choose Outdoor cleaner, a quick effective method which will restore dimmy green and slippery black surfaces to look great and be so much safer. Simply spray on, and if needed, either brush or just hose away after 5-6 minutes. You can use these products on lots of surfaces, concrete, brick, timber, fabric, canvas, shade sails, even down to artificial grass. With this product, at least you can get out there in between the showers, and start your cleaning duties. So now its winter, and you have planned or planning to plant all the lovely flowering annuals like polyanthus, primulas, pansies, violas and cyclamens, don't forget to give them a feed of Dried Blood. Provides a natural source of nitrogen and iron to boost performance of your winter flowering plants. Also encourages rapid growth in green, leafy vegetables, so get organised for a few jobs, that don't require too much time, tramping over your wet garden soil. Happy Gardening.

### Editor's Comments

Volunteers, they keep a lot of organisations running, often it is thought these people are paid but no they do it out of the goodness of their own heart. Just about anyone you chat to will be associated with a club, organisation, charity that is run by volunteers, mostly they are taken for granted, but they need to be recognised and thanked for their time and energy they give freely. With out them, we, our children, our elderly, our sick and those in need would all be missing out, so as we celebrate some of those local volunteers in the Moa Mail this week, take the time to thank those who you know that volunteer their time.

The Moa Mail Team

**EAST TARANAKI ENVIRONMENT COLLECTIVE**

**Thank You to Volunteers (Karen Morait)**

For any not-for-profit community organisation, volunteers have a critical role in helping with the success of the project. ETEC are so grateful to all our keen volunteers who give their time and skills to assist with everything from trap building, trapline checking, kiwi, kokako and pest control in East Taranaki, to education and administration tasks (and not forgetting our fabulous Trustees!) With National Volunteers week coming up 19 – 25 June we wanted to acknowledge and say a big Thank You to all of our volunteers past and present! We have a busy year ahead within our various roles as our core projects: Kiwi and Kokako in East Taranaki, our new taiaiahi conservation role in Everett Park and the future proposed Bird rehabilitation centre. If you would like to volunteer with us check out our volunteer page for the registration form [karla@etec.org.nz](mailto:karla@etec.org.nz), [support-us@volunteer.org.nz](mailto:support-us@volunteer.org.nz). Together we can make a difference!

### Colin Celebrates 50 Years in the Ingwood Volunteer Fire Brigade

On 14<sup>th</sup> February 1972 Colin Kilpatrick became a Fire Fighter for the Ingwood Volunteer Fire Brigade. In 1997 Colin became the 18<sup>th</sup> member of the brigade to have achieved 25 years, and last week on the 14<sup>th</sup> February he became only the second person in the brigade to have completed 50 years. He's the 270<sup>th</sup> member of FENZ to receive a 50 year medal.

Colin received his medal from Jason Prendergast the ex UFBA President and knows Colin well through FENZ Challenges. The formal celebrations finally being able to go ahead on Saturday at the TET Stadium in front of 120 family and friends including his children Craig and Brenda, Noel and wife Fiona and daughter Abby could not make it due to Covid. Colin's sister Val and brother David were also in attendance. Those invited were privileged to be able to hear about Colin's winter, and you have planned or planning to plant all the lovely flowering annuals like polyanthus, primulas, pansies, violas and cyclamens, don't forget to give them a feed of Dried Blood. Provides a natural source of nitrogen and iron to boost performance of your winter flowering plants. Also encourages rapid growth in green, leafy vegetables, so get organised for a few jobs, that don't require too much time, tramping over your wet garden soil. Happy Gardening.

### Ludwig's Accordion's

The Ingwood Heritage Centre were very happy to take possession of two of these beautiful Ludwig Accordions gifted by an Ingwood family. Made about 1930. One is of an Accordion brand and the other a Melodeon. Come into the Heritage Centre and view these two fine musical instruments and other items. The Ingwood Heritage Centre is always keen and willing to receive "stuff" that you may no longer need or want. We have been gifted so many beautiful pieces from by gone era's. Our space has memorabilia from past Ingwood business families.

**Egmont Village Mid Winter Fun Run/Walk (Mark Dwyhewen)**

On Sunday 26 June is the 11<sup>th</sup> annual Egmont Village mid-winter fun run. There are options of 3, 5, 7, 10km run or walk with the start and finish at Egmont Village School. The 10km walk starts at 9:30am and all other races start at 10:00am. Registration opens at 8:30am and it's on rain or fire. ### Bryan Hocken - Farmer "Mayor" and Now Member of NZOM

On Monday the 6<sup>th</sup> June, Bryan Hocken was made a Member of the New Zealand Order of Merit, as part of The Queen's Birthday and Platinum Jubilee Honor List. His award was for services to agriculture and the rural community. Agriculture and the community have been in Bryan's blood since he was six years old and rode to Tarata School on a horse. Despite years away at boarding school Bryan has been an advocate for the Tarata rural community ever since. He

Above: Bonnie and Rob Tucker with Bryan

Below: Harry Dwyhewen, Bryan and John Washer

has been heavily involved with the Young Farmers, Dog Trials, School, Church and Hall committees. Sue O'Donnell and Rob Tucker nominated Bryan and 16 others were letters of support.

A passionate sheep and beef farmer, Bryan is always first to promote the industry and stick up for farmers. He was involved in many protests through years with Federated Farmers.

Our hearty congratulations must also go to Helen, married for nearly 50 years to Bryan and who has been by his side patiently supporting him through all his endeavours and their children as well. On the 6<sup>th</sup> of June there was a shindig at the Tarata Hall to celebrate this Achievement with friends family and the wider community.

### Inglewood Croquet (Jane Chamberlain)

Inglewood Croquet club held its AGM recently. Heather Grant was re-elected President and Jane Chamberlain re-elected Club Captain. During May and June the lawns have been undergoing annual maintenance and weather permitting we will start playing again on July 12 with a winter start time of 9.30am. Any one wishing to have a go at this fun activity should give Jane a call on 0274670462 or come down to the club on a Tuesday or Thursday morning to observe and try. The club wishes to bring to the public's notice that the club's rooms are available for hire. They would be suitable for small hobby groups, small meetings or social occasions. Contact Jane 0274670462 for further details. The club is holding a fundraising quiz night on 11 July 6.00pm at The Good Home, New Plymouth. Please contact Heather Grant 0223667819 if you would like to join us.

### INGLEWOOD HIGH SCHOOL

**OPEN AFTERNOON - WEDNESDAY 22 JUNE 2022, 12.30pm - 2.30pm**

Parents and students interested in enrolling at Inglewood High School for 2023 are invited to our Open Afternoon. The programme will begin promptly at 12.30pm and includes:

- an introduction to the school and key personnel
- an outline of our student-centred curriculum
- a tour of the school with opportunities to see and participate in the school in action

Enrolments for next year will be taken at contributing schools in August or at the high school. For more information please visit our website: [www.inglewoodhs.school.nz](http://www.inglewoodhs.school.nz) or phone 7568148.

Our way of "doing school" is based on the belief that constant effort ensures success; our school offers educational opportunities designed to grow confident, purposeful young people who have a desire to excel and make a meaningful difference.

We look forward to welcoming you to our school.

### Restore PG Nops Reserve (Lee Hommer)

"The true meaning of life is to plant trees, under whose shade you do not expect to sit" (Nelson Henderson). The reward from months of weeding occurs as winter approaches, rain starts to fall and the soil becomes moist .... it is time for planting. At our May working bee ten volunteers spent a total of 15 hours planting 150 native plants including: Toetoe, Purei (Carex secta), NZ fuchsia and Mahoe along Kurapete Stream. This will have multiple benefits: improve the quality of the habitat, stabilise the stream bank, provide shelter and food for

native birds and insects and suppress weeds. Thank you to Taranaki Regional Council and New Plymouth District Council for the plants. Thank you to new volunteers Ahmed and Neo for your hard work. It is always very satisfying to look back at what we have achieved. The next working bee is Sunday 26 June 1.00pm - 3.00pm. Meet at the Tawa Street entrance. Everyone welcome. If you would like to know more about our activities call Neil Chesterton on 027 221 7712.
