Roller Hockey Champions To Take Their Talent Overseas (Maddison Dagger, Olive Roach and Paige Willhurst)

Two of Inglewood High School's Year 10 students Quinn Fraser and Larkin Mills, are about to head off to two worldwide Roller Hockey competitions - first in Macau next month and followed by China, in October, While Roller Hockey is

month and followed by China, in October, While Roller Hockey is played all over the world, its main popularity is within European and Latin American countries.

We interviewed Quine Frases and Larkin Hills to find out more about a proper of the proper of during the first game of the tournament, five minutes in, and got a

Concussion.

Quinn and Larkin would love to see their sport grow. If you want to get into Roller Hockey, both boys say, it really is just a matter of giving it a go! While learning to skate and control the ball is difficult, once you have got past that, "you're sweet." If you want to join in or find out more, you are welcome to attend their training and join in with the practices, which are held on Tuesday nights from 5:30pm at East End Roller Rink, You don't even need skates

From 3.50pm at 28.5 cm low lower hine. To other where to be because the East End State Rink will supply them. With humble about their successes, both boys have made remarkable progress in roller hockey. This is the first time that New Zashand has been able to send an under 19's team to a world competition into 1997; le has been a dream come true for everyone involved. If you would like to help Quinn and Larkin to get to the world competitions, you might like to sponsor them via their 'Give a Little Page' https://givealittle.co.nz/cause/nz-under-19-roller-hockey-boys

Inglewood First News - Fonseka Family Farewelled (Marie Pearce)

The Fonseka family were farewelled on Wednesday 21 June at the Cue Theatre. Some 150 people took the opportunity to say goodbye and wish Marie and Lux farewell with their move to Wellington. Marie and Lux moved from Sri Lanka to Inglewood 48 years ago. Dr Fonseka completed her medical studies in Sri Lanka and Lux as a Cwil and Structural Engineer. Marie

competed in the Casalary Department at New Plymouth Base Hospital before entering General Practice in Inglewood Lux was employed by Bruce Henderson and Assoc, later as a partner for TSE and Assoc. The Fonsela Enmily's first home was in the Former leglewood Police Station on Musii Streec, better moving to Rata Street, the Maire Street. Nillania, Shiranthi and Priyanthi were educated in Inglewood Aufrie Pearce welcomed everyone and Maire Street. Nilanka, Sainanth and Phyanthi were educated in Inglewood. Parire Pearce weckomed everyone and danied the Fonsaka family for their contribution to Inglewood and witheld them well with their move to Wellington. Dr Diane Jones poles of the early years when Dr Waston. Dr Fonsels and herself were on all. It was a 24th service with house calls being made in the middle of the inglit. Often weekends were divided between them. Life for a Doctor was quite different then. Dr. Waston restriet and Dr Steve Finings set up practice in Inglewood. When the Inglewood Predictal Center was balled by the Inglewood Borough Council. Dr Fonsels. Dr Jones and Dr when the Inglewood Predictal Center was balled by the Inglewood Borough Council. Dr Fonsels and Dr family and how they would mass them Inging Inglewood. Gay Brown from TSE spake of Lux's work with the firm from the benefine of this call with the firm to Lux loane efforted a stratement in the firm MS Cook stook of Lux's.

was awarded the Paul Harris Fellov was awarded the raul Harris reliovaship. Rotary International highest award, and accolade. Lux spearheaded Inglewood Rotary Club and Rotary International raising \$30,000 to send to Rotary Sri Lanka after the 2004 Boxing Day tsunami. Lux also contributed to the 22 Annual Rotary Car contributed to the 22 Annual Kotary Car-Shows. Mel also spoke of Lux always being willing to share his professional expertise with local projects. Marie Pearce made a presentation from Inglewood First Trust of an original water colour of Mount Taranaki by local artist Yvonne Geeraedts, Marie and Lux responded by thanking the Inglewood Community for their welcome to Inglewood almost 50 years ago and the friendship they had received throughout those years. They would miss Inglewood and the move to Wellington was to be near their family.

for early winter, and it does seem, that many of our deciduo for early winter, and it does seem, that many of our deciduous trees and shrubs still have leaves a plenty on them, more than usual. Wherever you have empty space in the vegie garden, take the opportunity to lave it empty over winter. The old term to lie fallow' meant that the field would be ploughed, manured then left unplanted until the next season. It's a validable practice so, if you can, clean out the remains of the last crop, dig in some compost and leave the bed to rest for a few months. Man compost and leave the best or less for a lew mortins, range garden pests take shelter during winter, so this is the perfect time to seek out their hiding places and try to get rid of them. Otherwise, if left alone, they'll make it through winter and start building up their numbers again in spring. Clean up loose bark and other winter hiding places near apple and pear trees to destroy hibernating codling moth cocoons. Deciduous fruit of all destroy hibernating coding moth cocoons. Deciduous truit of all types should be given a clean up spray with Yates Lime Sulfur Concentrate after leaf fall and again before the new leaves come out in spring. For leaf curl, treat with Yates Liquid Copper Fungicide Concentrate at bud swell. Winter lettuce, cabbages and other brassicas, onlons, peas and broad beans are all
