This is taken from online but is a reminder for us all. One day, you are going to hug your last hug, kiss your last kiss, and hear someone's voice for the last time, but you never know when the last time will be. Live every day as if it were the last time you will be with the people you love.

**Inglewood Community Board Visit Marinoto (Denise Lovernidge)**  
On Monday the Inglewood Welfare Society committee met with some of the Inglewood Community Board members over afternoon tea. The committee talked about the services that Marinoto was able to provide as an Aged Care Facility. Not only providing care for up to thirty one residents at any one time, but also the employment of up to forty staff. The wages generated from Marinoto support the economic development of Inglewood, as most of the staff live in Inglewood and Marinoto has a policy of using local business wherever possible. Councillor Marie Pearce said that Marinoto was a jewel in the Crown for Inglewood with the service it provided and its uniqueness. She also commented on the dedicated staff at Marinoto. The Community Board members were shown around the home and were also able to see the new kitchen in action. Meals are prepared here for the residents and for Meals on Wheels customers in Inglewood.

**Inglewood Athletics**  
A massive congratulation to Colin and Theresa Gibbon on being made Life Members of Taranaki Athletics. The athletic community really appreciate you both. Colin started as an athlete of the Club and then returned over 40 years ago along with Theresa as committee members and officials, they are still there making athletics possible for all. Colin has just become the Patron of Inglewood Athletics Club. They both have officiated at many different events both in Taranaki and all over NZ. We thank them for their time, patience and dedication. Another season is about to begin and they both will be there again. Opening night is on the 11 October and starts at 6.30pm. Those that want to register please go to our Facebook page and you will find the link to do this. Dress warm and see you there!

**Lions News (via Adamson)**  
The Lions were out and about the last few weeks delivering phone books to mailboxes in and around Inglewood. Phone book delivery is completed. The Inglewood Lions are selling Lions Christmas Cakes at \$25.00 each. If you are wishing to place an order contact Wendy Coote 027 2666307. These cakes are popular and make good Christmas gifts. Recently six members of our Club attended a Quiz Night that was organized by the Bihann Lions Club. A good fun night with \$2,000 being raised for Prostate Cancer Research. At our Lions Social meeting we had 2023 Vice District Governor Denis Hurcombe come along and talk to us. A very good informative night with a lot of ideas for activities and fundraising projects. VDG Denis also congratulated us on being such an active club. Dr Diane Jones from the Inglewood District Health Trust also came along. She spoke about the ongoing struggle with funding for the trust and all the good work that the staff undertake in our area. Lions presented her with a donation of \$4,000 for the Inglewood District Health Trust. The Inglewood Lions Christmas Parade is being held on Saturday 9 December so note it in your diary and start thinking about entering a float for the parade. Inglewood is well known for their successful Christmas Parade. For further details on the Parade contact Peter 027 4411622. For further information on becoming a Lion or about any of the projects that you see that we are involved with, contact Wendy 027 2666307 or Dennis 027 3217834.

**Gardening Clues With Sue (Sue Marsh)**  
The unseasonal warm, mild sunny days of early September, have been replaced by the normal early spring patterns of chilly, windy wet weather. October is now here and it's probably the busiest planting month for vegetables, as we gear up for those beautiful summer plots that we love. Let's look at Beetroot, you either like it or you don't, but it's very easy to grow, and can be planted all year round. Beetroot is an easy quintessential low vegetable to grow. Hardy, durable and not particularly fussy, beetroot is ideal for both first-time and experienced gardeners. Traditionally red types of beetroot have been grown, a root crop that takes approximately three to four months to mature. Beetroot is a fairly easy crop to grow as long as the soil is well cultivated prior to planting, but they don't enjoy wet, boggy or shady soils. Plant in full sun and space seedlings 10-15cm apart and rows 20cm-30cm apart so they have room to grow. Beetroot is also ideal for containers, tubs and raised beds. Beetroot will happily thrive in small areas as long as there is at least 20cm depth of soil. Get those seed potatoes in the ground, and of course, first thing is to buy some, if you haven't, and start them sprouting, middle to main crops readily available now. Keep mounding up throughout the growing season, and make sure you apply some potato fertilizer to the rows, to keep feeding them. Just remember that over time, all garden beds need to be refreshed, and have fertilizer added in some form or another. Bagged compost plus special vegetable mix certainly makes it easy, as well as potting mixes combined if you are planting in Vego pods and containers. Hopefully, the weather will be on the improve, and we can spend lots of hours in our gardens this month. As always, if you're not sure, just ask the knowledgeable staff down here at Hammer Hardware, and we'll get you going. Happy gardening.

12 Angry Jurors is a play that contemplates the huge responsibility of 12 ordinary people as they consider the guilt or innocence of a young man accused of murder. Bringing their own histories, prejudices, and biases to the jury room, they work through this life-or-death decision. In the times of George Floyd and countless others, this play works through the issues at hand in a very human way. It was originally written for men only (12 Angry Men), a time before women could serve jury duty.

**Inglewood First Trust News (Vida Harlens)**

Marie Pearce, Chairperson of Inglewood First Trust warmly welcomed attendees at the September IAS at the TET Stadium and Events Centre here in Inglewood. Marie thanked Hayley Duggan, Operations Manager at the Stadium for hosting the evening and thanked the members of the Stadium Trust who were present. Marie also thanked the Stadium caterer, Silena Gillespie who supplied a range of delicious tasty platters of food, and Rachel who manned the bar. Marie continued on to say how fortunate we are to have such a splendid facility as the Stadium which came about by the hard and passionate work of the community.

Hayley, through setting up the area showcased many of the activities that the Stadium can accommodate – birthdays, weddings, wedding anniversaries, conferences, and funerals. They are always keen to speak with anyone who is planning an event where they think the Stadium may be the right venue. Hayley and her team recently organised a very successful evening with Chelsea Winter which was a sell out with people coming from all over NZ. There are several events that the Stadium have organised for the future – 2023 Stadium Showdown - Sunday 26 November and A Crafty Christmas Night Market on Thursday 7 December. Hayley said that these activities

Above: Floyd Wicksteed (Trustee - TET Stadium), Hayley Duggan (Operations Manager - TET Stadium), Alice Tocher (Trustee - TET Stadium) and Marie Pearce (Chairperson, Inglewood First Trust)

couldn't take place without the support that is provided by the team that run the Stadium and the volunteers who help out. Hayley is setting up a database of volunteers who may be willing to help out, and you can contact Hayley by emailing her at [mail@tesstadiuminglewood.com](mailto:mail@tesstadiuminglewood.com). Marie spoke about Inglewood First Trust receiving a grant from TET for a feasibility study which is to be undertaken on the prospect of Inglewood having an Ice Rink. Imagine being able to ice skate, play ice hockey or play curling here in Inglewood. What a coup that would be. Inglewood is well situated for this and Inglewood First Trust have many letters of support from Ice Federations in other countries such as Canada and Australia.
