

**Your Kiwibank Local Hero Medalists**  
These local heroes - Donna Baker, Rory Gardiner and Rob Metztag have made a positive difference in our corner of Aotearoa. While they have been nominated by specific groups they are all known in our community for volunteering and making a difference in more than one way. They demonstrate selflessness and determination in their efforts. Whether their impact is a particular field, or courageously overcoming personal adversity, their contributions are truly inspiring to inspire all. Nominations of this Award must be an individual who has made (or is making) a significant contribution to their region, town, suburb, community (be it geographical community, or community of specific interests), nei, or local group. Have had significant impact over the last 12 months. Be a role model for New Zealanders and fellow selflessness for their community. Full individual stories on page three.

**Your Kiwibank Local Hero Medalists Continued**  
**Donna Baker** - Donna has been a cornerstone of the Taranaki Cancer Society since the early 2000s, dedicating her time to a variety of roles that aim to uplift and support those affected by cancer. She began with home visits and client drives, and has gone on to become a key player in organising oncology morning and afternoon teas, as well as supporting events like Relay for Life and Daffodil Day. One of her standout contributions has been taking charge of the survivor's lunch for Relay for Life, where she expertly coordinates meals for over 100 cancer survivors, ensuring they have a memorable day and a delicious meal - all prepared with the help of enthusiastic volunteers.

**Rory Gardiner** - Rory has been a dedicated volunteer at the Junction Reuse Shop since February 2022, helping reduce electrical waste and promote sustainability. The Junction, a collaboration between New Plymouth District Council, Waiwi Charitable Trust, and Sustainable Taranaki, is a community hub focused on reducing waste, offering educational workshops, tours, and a reuse shop.  
A double cancer survivor, Rory's resilience and commitment inspire everyone around him. Despite the challenges he's faced, Rory shows up twice a week with a positive attitude, ready to dive into the work of diverting waste from landfills and ensuring materials are recycled. His diligence and willingness to learn have made him a valuable part of the team, while his friendly demeanour and love of a good chat bring joy to the workplace. Rory's contribution plays a crucial role in propelling The Junction's mission, and his friendly presence creates a welcoming and inspiring atmosphere for both volunteers and visitors alike.

**Rob Metztag** - For over four years, Rob has been a dedicated volunteer with the East Taranaki Environment Trust (ETET), offering invaluable expertise in journalism and media to support local conservation efforts. His contribution includes transforming ETET's newsletter into a professional publication, boosting the organisation's visibility and impact. Rob also taps into his personal networks to secure essential funding and sponsorship, ensuring the long-term sustainability of the project. Recently appointed as chair of the board of trustees, Rob's leadership and advocacy are pivotal in driving ETET's mission forward. Beyond his work with ETET, Rob is actively involved with Rotary, further demonstrating his passion for community service. Rob's contributions to conservation and his leadership in local projects make him a respected and valued figure in the Taranaki region.

**IAS at The Hive (Vida Harnesse)**  
The November Inglewood First Trust After 5 event was held at "The Hive", and it saw another great turnout. Clair Marshall, the owner of The Hive, hosted the evening alongside Raewyn. Clair spoke about the changes she is implementing in her store, primarily driven by the semi-retirement of her long-time employee, David Fowler. Clair mentioned that with David going less hours she decided to phase out the Men's Section in her store, as she felt she lacked sufficient knowledge about men's clothing. Clair also welcomed back to her store Raewyn after a years absence.  
Clair also addressed the current challenges faced by retailers and expressed her gratitude for the support from organisations like Inglewood First Trust. Clair emphasised that not many communities are as fortunate to have such a dedicated organisation working for their benefit.  
Our next Inglewood After 5 event will be a Christmas dinner to be held at Vertical Horizon on Wednesday, 18 December commencing at 5.15pm. If you plan to attend, please RSVP to [inglewoodfirst@gmail.com](mailto:inglewoodfirst@gmail.com) by 13 December. It is crucial for caterers to have an accurate headcount, as unexpected attendees can complicate the catering arrangements. Local door entry charge of \$5 per person.

**Gardening Clues with Sue (Sue Marsh)**  
December, the month of the year that has justly turn the garden from the early orderly planting into a fast growing, weedy patch if we get seasonal drizzly humid weather. It is the time of the year that is great for planting warm evening and overnight temperatures much more conducive to good growth. What can be better after a hard day's work, to pop outside to spend some time in the cool of our summer evenings. Watering pots and gardens at this time will be most beneficial, as it gives time for the plants to absorb the moisture.  
Stuck for ideas, why not think of a gardening gift this Christmas, choose from seeds, gloves, garden ornaments, plants, pruners just to name a few. We are very happy to make your gift basket up once you have chosen your items, and remember a gardener can be a beginner, so maybe a great way to get them interested.  
Thank you to all those who shop locally and entered into our recent promotion to win one of three prizes of a store credit. Congratulations to Melissa Wood who won \$1000 store credit, and to our \$250 winners, Robyn Freeman and Jane Molloy. They are sure to enjoy their prizes and are all very deserving recipients.  
As we all get busy over the next few weeks, keep up with the lawns, spray your weeds, freshen up your potted containers, and enjoy your vegetables straight from your garden. Keep vigilant for fungal and bug issues which can occur overnight after a raining spell and treat accordingly. Enjoy the hustle and bustle of the next few weeks, and if that's not your thing, then just find a quiet place in your garden, and enjoy your space. Happy gardening this week.

**Enrolment at Inglewood School** is governed by an enrolment scheme, details of which are available on the school website or from the school office.  
The board is now inviting applications from parents who wish to enrol their children at Inglewood Primary School starting within Term 1 2025.  
All applications must be received by 3:00pm Monday 27 January for Term 1 2025.  
If a ballot for all of some places is required, it will be held on Wednesday 29 January 2025.  
Parents will be informed of the outcome of the ballot within three school days of the ballot being held.  
The board has determined that 20 places from Year 1-6 are likely to be available for out-of-zone students within Term 1 2025. The exact number of places will depend on the number of applications received from students who live within the school's home zone. Parents of students who live within the home zone and intend enrolling their child at any time during the year should notify the school to assist the school to plan appropriately.  
The application form for enrolment is available on the school website, or from the school office.  
Please note, that if the number of out-of-zone applications exceeds the number of places available, students will be selected by ballot. Parents will be informed of the outcome of the ballot within three school days of the ballot being held. Details relating to the next enrolment period Term 2 2025 will be published March 2025.

**Inglewood Primary School Production (Tracy White)**  
In week six of term Inglewood Primary School performed three sold out shows of "The IPS Walt Disney Production". It was a colourful performance with each of the 16 classes having choreographed their own dance to a song from their favourite Disney Movie. The costumes were amazing and the awards were very keen to share their performing arts skills for the first time since 2018. From Snow White and Smurfs to Cars, Moana and Lion King the performance covered many decades of Disney Movies. The week was enjoyed by all that attended.

**Inglewood Food Collection Drive**  
It was a real privilege to be part of the annual Inglewood Food drive, organised brilliantly as ever by the Burns/Harcourts. So many people stepping up and volunteering and showed how we can all work towards one of our favourite quotations 'building stronger community together'.  
There was a huge pile of food for all the volunteers, led by The Burns/Harcourts, to organise and divide between all of us who are committed to you - our community. Thank you Inglewood for your generosity - because of you our shelves are looking healthier and we look forward to serving anyone who needs our help any Monday, Tuesday, Thursday and Friday. (If you missed the food drive and would still like to give something, we are always happy to receive your donations! This year (to date) we have given away 261 pre-cooked meals into the community, 447 hot lunches have been served at the Friday community lunch we have given out 271 emergency food parcels (each parcel will last a family four days). We have distributed 614 supplementary food packages (up to six items per package to help you if you don't need a whole food parcel), and the community fridge/freezer and hot food shelves up to 12 visitors per day. We are so grateful to all of you who donated - we couldn't do it without you! This will be our last Moa Mail entry of the year (and we are incredibly grateful for your articles), so Inglewood Community Food Hub would like to thank all of you for your fantastic support this year and wish everyone a very happy Christmas and a peaceful New Year. **Inglewood Volunteer Fire Brigade Celebrates Their Station turning 25**  
(Nicky Kulinski)

On the 16<sup>th</sup> October 1999 the new fire station was officially opened on the same site as the previous fire station.

While our brigade has been running for 130 years, our fire station is only 25 years old and on Saturday 19<sup>th</sup> October we celebrated this with the community by having an open day. It was great to see so many people coming down and joining in the activities that were planned - evacuating our smoke filled fire safety houses, making fire engines, dressing up like fire fighters (enjoyed by both parents and children) and watching the demonstrations that were put on of a car being out of, St John's were also on standby at our station and were showing people through their ambulances. Check out our Facebook page: <https://www.facebook.com/inglewoodfire> to see some of the videos from the day. We would like to thank the Inglewood community for coming and supporting us on this day and we would especially like to thank our sponsors Inglewood Development Trust, Choicks Trailers, Farmlands and Bryce Hollands.

The 2024 athletics season is well underway. Club nights have been well attended and are in full swing. Those under seven, get two runs down the track from 6:30pm and then head home. The sevens and over get to improve their skills at a couple of field events each week (a jump and a throw) and get their run or walk in with a couple of track events. They enjoy having a go and we love seeing that their performances improve. As always, we thank the clubs long standing stalwarts who give their time freely each week. We can't do this without parent help - if you have been helping, thank you.

**Lions News** (Wendy Oene)

Inglewood Lions held their Annual Senior Citizen Christmas Luncheon on Wednesday 27<sup>th</sup> November. This year it was held at the TET Stadium Centre in Inglewood, with 114 people coming along there was plenty of room for everyone to comfortably move around. Selena from Outpost catered for it and did an outstanding job, everybody was very impressed. The Stratford Singers were the entertainers and this was also very much enjoyed by the guests. As usual the man in red visited, it would not be a Christmas function without him brightening each and every one's day. The usual raffles were up for grabs and these were won by Anne Jordan, Henry Brown, Mike Wabber and Judy Barnes and Pat Lynch.

This year's Christmas Parade will be held on Saturday 14<sup>th</sup> December starting at 10.00am, the theme is "Christmas Through the Ages" if you have any queries or would like to enter, please phone either Peter on 027411622 or Katrina on 0272498025. As Christmas fast approaches, Lions will be selling their famous Christmas cakes, these will be the usual \$25. These make great gifts to family and friends, also a really good idea to get to staff for their Christmas bonus. If you are interested in ordering Christmas cakes, please phone Graham Robinson on 0211425920.

Lions also collect eye glasses which go over to the islands to provide much needed help to people in need. If you have any that are no longer needed, please phone Graham on 0211425920 to arrange drop off or pick up. Many thanks. If you would like to join Lions or come along to take a look at what we do please contact Wendy on 027266307 or Graham on 0211425920.

It's finally happening, the ambitious whole-school carve that has been generously supported by our community is into its fourth day. The kids were warmly welcomed into the Hoani Waiahi Marae on Monday, it has been their home since Auckland 200 was excellent on Tuesday Wednesday had an awesome morning at "Snow planet" where all our kids had success at skiing mostly for the first time!

Today we are having a blast at Rainbow End. The kids and parents are hanging together well despite the busy schedule, a great team. It has been a privilege to be immersed in a real life working marae and experience their Manakanga.

Thanks to our Principal Victoria for showing us into her world, and our team of camp parents who have all made it easy. The kids will remember this forever!
