24 Hour Emergency Service

Obviously the attention to detail is how Steve and Joy Fabish have approached this project.

Four years ago the theft of one of the cars in their private collection prompted them to build the spectacular venue that houses not only their private collection of Holden cars but also loan cars belonging to other Holden enthusiasts (currently 43 in total with room to add a few more). But this is not all about cars there is also memorabilia, a spectacular view of the north Taranaki coast, a mini putt course based on the Mt Panorama race track, a 40-seat function room with commercial kitchen and 2019 will see the addition of a 200-seat restaurant and wedding venue to the complex.

Ingwood First's Christmas promotion is currently underway when shopping at Ingwood retailers make sure you enter. The prize is a decorated Christmas tree worth \$1000.

Ingwood First would like to wish you all a safe and happy festive season and we look forward to seeing you all at up coming IAS's, Americana in February and the Ingwood Harvest Festival at the end of March.

Ingwood High School Sports 2019 (Janean Adamson)

Exciting times are ahead for Ingwood High School sport, as they aim to increase the already high participation levels in 2019 and beyond. The school are excited to announce that they have appointed a new permanent Sports Coordinator and a new position of Director of Sport. These roles will be the driving force behind continuing Ingwood High School's goal of improving student wellbeing through the participation in school sports.

The school would like to welcome Elle Hitchcock into the permanent role of Sports Coordinator. Having previously worked at Verical Horizons as an Outdoor Pursuits Instructor over the past 13 years, and also being local to Ingwood for just as long, she is a familiar face within the community, along with her husband and three children. Elle is looking forward to working alongside the Ingwood High School's Director of Sport and also the surrounding primary schools in keeping students active and participating in all areas of sport with within Ingwood High School and the Ingwood community.

Tony Earl has been appointed as the new role of Director of Sport at Ingwood High School. Tony has been a teacher and Head of Department at IHS for a number of years and is looking forward to overseeing and assisting with the running of sports and sporting life with the students and alongside the coaches and managers of all sport. already in place here at IHS. They look forward to seeing the new and returning students getting actively involved and overcoming challenges in all areas of sport and recreation.

They would like to thank all IHS staff, parents and community who have volunteered their time in working with the sports teams throughout 2018. The school wouldn't be able to have the teams and the success that they have had without this support. They appreciate all your time and effort that you have put into the students, ensuring that they have all had an enjoyable sports season. To the IHS staff, parents and community that are returning next year to coach and manage the sports teams, the school look forward to working alongside you and supporting you in any way they can with your teams.

Brand New Comedy at Cue (Joan Ennel)

Christmas is coming and Cue Theatre wishes its members and faithful audiences a truly blessed season of Goodwill, Joy and Peace, as this holiday was meant to be!

Looking ahead, as we always are, Cue is preparing a classic comedy for an April/May run in 2019. Once a screenplay by the great William Rose for a 1954 black and white film starring Agatha Sim and Alec Guinness, "The Ladykillers" has been scripted for the stage by Graham Lineham. This version opened in 2011 to rave reviews. Now Cue audiences will have an opportunity to see this remarkable play, as the first offering for the New Year. It's bound to be a happy one!

The cast members of "The Ladykillers" are John Butler, Peter Whittaker, Bryan Viokey, Neil Corbett, Tyler McNamee, Kevin Koch, Gloria Webby, and Michelle Chalmers. The play will be directed by Joan Ennel.

Lions News (Viv Adamson)

Again, it's been a hectic few weeks for the Ingwood Lions Club Members. Members attended and helped hand out the candles and carol booklets at Carols by Candle Light at the beginning of the month. Our Christmas Dinner was held down at Pioneer Village and we had 43 people attend. A beautiful meal was served and it was a lovely time to catch up with everyone.

Several working bees were held prior to the Christmas parade to organise the floats. The parade was a huge success with a large number of well decorated and awesome looking floats. Very grateful thanks to everyone that put in the effort to participate in the parade and thanks to all of the Ingwood Public that came out to support. There seems to be a larger number of floats being entered each year. Our Ingwood Lions Club are hosting four

Young Exchange Students from Australia and Italy that are here in Ingwood until December 27th. While they are here visiting they are going on a rafting trip on the Wairata River and are going to Tawhiti Museum to have a look into the Maori History of New Zealand. They will also enjoy a Kiwi Christmas with their host families.

The Maize Maze is growing fast and is roughly growing one-foot in height a week. We have had two different working bees to mark out the tracks and then to which the sponsor posts in. Hopefully it is going to be another great season. Keep an eye out on the Ingwood Lions Facebook Page for updates and an opening date for the Maize Maze.

The Ingwood Lions would like to wish you all a Merry Christmas and a Happy New Year and we hope to see you out at the Maize Maze when it opens.
