Fantastic Day Out At The 24th Charity Car Show (Gloria O'Dowd)

Did you go? If you didn't you really mis out on a fantastic show of vehicles of all shapes, sizes and colours. Inglewood Rotary was proud to conduct their 24th Charity Car Show and it was proud to conduct their 14" Charity Car'show and it broke all records of 276 fus sehicles. Thank you to all the owners and drivers for your continuing support. There was a 1908 Oldsmobile to a late model Aston Martin, vintage army vehicles, midget sprint cars, speedway bikes, a large show of motorbikes, hot rods, Mustangs and many others vehicles. Many car clubs attended and Rotary thank you for your support. Thank

feature of fritz Reuter Place. Building some of the cars. One car I spotted did have a convers also care no board by painting their buildings with the colour palette provided.

Now you get your chance to add your thoughts, (see page 4) at a workshop 49-30am -1 23pm on Friday 8 Parich in TET Stadem function Room. those other people I have mentioned. Mobility parks are for people who have mobility issues and have been given a sticker to allow them to use the spots designated for them. These mobility parks have more room so that disabled drivers can get in and out of their

vehicles with or without the use of a wheelchair. It is the driver of the car that is eiven the permit, not the car. for drivers are abusing these parking spots they should be fined. It is not fair to take up a designated parking spot so that someone with a genuine need cannot get parked in it.

that is strong and durable, and is suitable for Inglewood's ground conditions. Some properties will have only a five minute water interruption while they are connected to the new pipe while others will require longer, depending on the work being done. The old

Masters \*\*

work being done. The old pipes are not being removed as it is cheaper to leave them in the ground and lay the new ones alongside. This is a multimillion dollar project running over the next three years, costing around \$2.5

glewood's water supply comes from the gatoro Stream on Dudley Road via an iltration gallery buried under the stream bed. glewood's water is chlorinated to safeguard ainst contamination of the reticulation system.

Issue 235 Royal Kiwi Welcomed Home (Karen Moratti) DUDANGE Starting life as an egg in the forest of Púrangi our kiwi Tihei wa transported to the National Kiwi Hatchery Aotearoa based is Rotorua. Here the egg hatched and at three days old this specishick was named Tihei by the Duke and Duchess of Sussex Prince Harry and his wife Meghan Markle. The name Tihei is from the Māori saying 'tihei mauriora' meaning 'the sneeze of Naming kiwi can be tricky as their gende isn't known without doing a DNA te where pin feathers are taken from th chick and rested at Massey University team all waited like expectant mothers for hatched around the same time. The offici gender reveal ...All three....'lt's a girl'!! A big thanks to Swiss-belhotel for the support and sponsorship of Tihei so v can continue our work in monitoring a aring for Tihei Right: Tipene of Ngati Maru gives Tihei blessing before her release, watched on by Oliver and Scarlet Faull and Bob and Karer Te Kaunihera-ä-Rohe o Ngāmotu NEW PLYMOUTH DISTRICT COUNCII HARVEST FESTIVAL Saturday 30<sup>th</sup> March - 10.00am - 2.00pm

The course, taught by Evelyn, a popular tutor. She is an experienced sign language speaker and teacher. In the past, her students have commented on how kind, 318 Mountain Road - Lepperton Ph: 06-7520420 - Mobile: 027-3308177 Web: www.sentryhillcattery.co.nz used she is. loves to adapt each

class to their needs. Some students come to the class because they want to teach their cass to their needs. Some students come to the class because they want to teach their young children how to sign. Others come to the course because either they or someone they love has or is developing hearing issues. Because each class is a little different, sudents find that re-aking the class seposes them to new material each time. To enrol in the course, email rannakiadultiliteracy@xtra.co.nz.

Taranaki Pioneer Village Seeks Volunteers (Lisa Grigg)

When Barbara Cook showed interest in volunteering at the Taranaki Pioneer Village 19 years ago, he remembers being told 'it's hard to get volunteers'. Her reply to this was 'I can get some', and

after eminenters seeing tools it's run't to get volunteerd. Her reply to this was I can get some, and the took this as a following. Burburg as seeine people upgether from Paltenghain area. One of the work of the control of the cont ENERGY VETS TARANAKI say they enjoy volunteering at the Village and hope to see more volunteers come on board.

ore volunteers come on board.

or four years is John Fahey. John volunteers his time driving the Village Express train and he also does woodturning at the fillage. John says, "it's the people you meet, both the other teers and the visitors, who make it enjoyable'. Lisa Grigg, event co-ordinator at the Pioneer Village, says it

volunteers who make the Village a special place to visit. Our events that we do here are only as successful as they Our events that we do here are only as successful as they are, thanks to the many hours given by our team of dedicated volunteers who give their time. Lisa also volunteers at the Village, on top of her part-crime role organising events there. She says it is very rewarding. With the Village, every day is different and she loves learning the history of a building or item in a building. Lisa says she would nistory of a building or item in a building. Lisa says she would over to hear from more people interested in getting involved. Everyone has different skills and we need some new faces and ideas to help us keep the Village at its best. If you are netreested or want more information please call the Village on 06.7655399.
